PLAN COMPARISON

CIGNA HealthCare plans, offered through Connecticut General Life Insurance Company, provide coverage you and your family can count on, along with a broad range of options and award-winning service to help you protect your health and secure your future.

## CIGNA Health Savings Plans®

**Economical.** Our extensive high deductible Health Savings Plans allow you to use a tax-advantaged Health Savings Account (HSA) to help pay for your current medical expenses or save for future medical expenses.

**Preventive care.** Covered at 100% for most services.

**True choice.** You can choose an in-network health care professional or choose to receive care from one who isn't part of the CIGNA network. It's up to you.

**Primary care.** You can choose a Primary Care Physician as your personal doctor. With a Primary Care Physician, you have a valuable resource—one who serves as your personal health coach. But, if you prefer, you also have the option of not choosing a Primary Care Physician.

**Specialists.** You have direct access to participating specialists. You do not need a referral to see an in-network or out-of-network specialist.

Please check the Summary of Benefits for more specific details about the CIGNA Health Savings Plans.

## A CIGNA Health Savings Plan is right for you if:

- ✓ You want extensive, high quality coverage.
- ✓ You want the ability to save money tax free to pay for medical expenses.
- ✓ You want preventive care covered at 100% for most services.
- ✓ You want a national network of doctors and hospitals.

## Your national network

You have access to a network of more than 500,000 quality health care professionals and centers throughout the country. But if you want to see a health care professional who doesn't participate in the CIGNA network, you can. Keep in mind that out-of-pocket costs vary, but your out-of-pocket costs are generally lower when you see in-network health care professionals.

In Georgia, CIGNA offers you:

- A network of over 29,719 doctors
- Over 171 participating hospitals
- Excellent accreditation from the National Committee for Quality Assurance (NCQA)
