This document is not a contract of insurance. It is a partial listing of healthcare benefits. Refer to your certificate for a complete listing of healthcare benefits. Benefits are determined based on Consumers Life Insurance Company's medical and administrative policies and procedures. No person other than an officer of Consumers Life Insurance Company may agree, orally or in writing, to change the benefits listed here. The contract or certificate will contain the complete listing of covered services. In certain instances, Consumers Life Insurance Company payment may not equal the percentage listed in these charts. However, the covered person's coinsurance will always be based on the lesser of the provider's billed charges or Consumers Life Insurance Company's negotiated rate with the provider.

Deductible and coinsurance expenses incurred for services by a PPO Network provider will only apply to the PPO Network deductible and coinsurance out-of-pocket. Deductible and coinsurance expenses incurred for services by a Non PPO Network provider will only apply to the Non PPO Network deductible and coinsurance out-of-pocket.

The coinsurance for non-contracting institutional providers will be the same coinsurance percentage as the Non PPO Network provider. However, you may be subject to balance billing by the non-contracting provider.

The proposed course of treatment for organ/tissue transplants must be pre-determined and approved by a Consumers Life Case Manager (except for corneal transplants).

Failure to contact Care Management prior to the proposed course of treatment (including the evaluation) will result in a significant monetary penalty. Refer to your certificate for details.
